

20 Year Pressure Treatment Guarantee

We are committed to using a pressure treatment method across our full range of timber products to provide a superior approach to wood preservation and eliminate the need for costly and time-consuming maintenance.

Using a unique mixture of preservatives that penetrates deep into the wood, our pressure treatment system ensures long lasting protection against wood rot and decay.

All Grange pressure treated products are guaranteed against rot and fungal decay for 20 years.

Conditions of Guarantee

- a) Should the pressure treated wood be cut, drilled or notched, a cut end treatment must be applied to ensure the effectiveness of the treatment. (Note: Cutting the wood is considered a modification which will render the guarantee null and void.)
- b) Paints, wood stains and water repellent can be applied however we recommend you closely follow the manufacturer's instructions.
- c) Any product modification will render the guarantee null and void.
- d) The guarantee covers the cost of replacement goods only.
- e) Grange cannot be held liable for any damages or injuries of any kind resulting from incorrect use, assembly or siting of the products. Where supplied instructions and directives should be followed carefully.
- f) You must retain proof of purchase in order to claim on this guarantee.

These conditions do not affect your statutory rights.
